# The Potion of Patience: EASY VERSION

## ANSWER KEY

1. Pip is a helper for the potion-maker. His jobs are to scrub the pots, grind flowers, and sort stones.
2. The master did not want to make a potion with Pip. At the end of the story, he showed Pip how to make a simple potion for plants.
3. The master did not show Pip any ingredients. But Pip saw shiny, rainbow-colored feathers from a phoenix on the shelves.
4. Pip felt very impatient. He wanted to show his master that he could make a big, amazing potion all by himself.
5. He made a thick, lumpy, grey goo that smelled very bad, like burnt toast and wet socks.

# The Potion of Patience: EASY VERSION

## ANSWER KEY

6. The grey goo started to shake and hiss. Then, it exploded with a loud "FWOOMP!" and went everywhere.
7. The workshop was a huge mess. Sticky grey goo was all over the walls, the ceiling, and the floor.
8. The master did not get angry or yell. He was very calm and told Pip that he had learned an important lesson from his mistake.
9. After they cleaned up the mess, the master showed Pip how to make a simple potion for plants the right way.
10. Pip learned that real magic doesn't come from using fancy things. The most important parts of magic are being patient and being careful to do things the right way.
